

Feeding the line while shortening the line

The issue of hunger is complex with many contributing factors. We believe that addressing these 4 categories is a critical aspect of our 10-year plan.

SHORT-TERM SOLUTION

LONG-TERM STRATEGY

INCOME

Pillar One: Community Engagement

Pillar Two: Network Expansion

Resources

Immediate Assistance

Limited earning capacity and low and unstable incomes are at the root of food insecurity.

Invest in NTFB Partner Agencies who combine food assistance with wrap-around services that help increase income and build assets.

Support the Household Bottom Line

BRING THE RIGHT FOOD TO THE RIGHT PLACE AT THE RIGHT TIME

HEALTH

Pillar Two: Network Expansion

Pillar Three: Client Visibility

1 out of 3

Clients have not worked for 1 year or more due to a disability.

Food is medicine

Ensure access to nutritious food for those with limited mobility and health challenges.

Enables NTFB to collaborate with health systems to support holistic, preventive care.

ACCESS

Pillar Two: Network Expansion

Pillar Three: Client Visibility

Access to nutritious foods and quality produce is not equitable.

Deploy NTFB's Mobile Pantry program to deliver food to high need and hard to reach areas.

Maps the penetration and accessibility of NTFB services and guides planning.

Strong financial practices and knowledge of how to shop, cook and eat healthy make a difference.

LONG-TERM STRATEGY

Pillar Two: Network Expansion

Invest in NTFB Partner Agencies who combine food assistance with services that strengthen financial management skills and practices. Partners also host NTFB Cooking Matters courses.
